

47C Kingsbury Street, Marlborough, SN8 1JE.

We are situated in the centre of town, just off the High Street in a quiet courtyard, adjacent to St Mary's Church.

Please find Costa Coffee on the High Street, which is near to the town hall on the upper side of the high st. Cross over towards Henry George estate agents and go down Patten Alley. We are the third door on your right with a black gate. There is a plaque on the wall that marks the address. Please ring "therapy room" bell and your therapist will buzz you in. We do have a small seating area if you wish to arrive just a few minutes early; however, your therapist may be with another client so we ask you not to arrive more than 5 minutes before your appointment please.

Unfortunately there is no train station in Marlborough. There is a good bus service from various locations.

Parking (please allow 10-15 minutes):

This is by way of pay and display either on the High Street or there is a larger area of parking behind Waitrose (please allow up to a 10 minute walk from here). There is also free 2 hour parking on the Parade and on Silverless street, both of which are a 2 minute walk from our practice.
